Holidays and Closings

There are no programs held during the following holiday weeks: New Year's, Easter, Memorial Day, Fourth of July, Labor Day, Thanksgiving, and Christmas.

There are also no programs held the first full week of June, as we begin our annual Summer Reading Club.

How Do I Prepare My Child for Programs?

So that programs are equally beneficial to all children in attendance, we ask parents to talk with their children beforehand about appropriate and polite behavior. It might also be a good idea to arrive at the library a few moments early to help your child settle in, taking care of restroom and water fountain concerns before the program begins.
