Want to see the latest movies on DVD with NO WAIT?

Fredbox is a NEW and faster way to watch recent, in-demand DVDs rather than through the traditional checkout. Starting February 1st, you can get the most popular movies faster. For a \$2.00 rental fee (sales tax included), you can get the most in-demand movies for three days from fredbox. There are no reserves or renewals and fredbox DVDs must be returned to Fredricksen Library. Regular late fees apply (\$2.00 per DVD per day).

You can still check out DVDs the traditional way. We will have an additional copy available of each of these movies in the regular DVD section, which will circulate for free, but the hold lines on those copies are frequently long. New DVDs will be regularly added to the fredbox collection. A current list of titles will be available on our website.

Fredbox, like Leap the Line, enables you to spend a little to benefit the library while getting brand new DVDs faster. Look for the NEW fredbox display in our checkout area February 1st!
