Program Guide
Summer 2019

A Universe of Stories

Summer Learning Challenge

Empowering Lifelong Learning

www.boslerlibrary.org
Welcome to the Library’s 2019 Summer Learning Challenge

Welcome to the 2019 Summer Learning Challenge. During the summer months children risk losing up to two months of learning from the previous school year. Continued reading and learning experiences during the summer months is the most effective way for children to avoid suffering from what researchers call the “summer slide.” Library summer learning clubs are a FREE and fun way to ensure that children experience quality reading and programming opportunities.

I want to thank all of the children who are going to be joining our program and committing to reading and learning throughout the summer. You are an inspiration to us all.

Parents, thank you for taking the time out of your busy schedules to make continued reading and learning during the summer months a priority in your home. The educational benefits are crucial to lifelong learning and school success.

 Teens and adults, you are models for our children by showing them that reading is an enjoyable and important experience. Thank you for sharing your love of reading and lifelong learning.

Please take a moment to look at the list of our summer learning sponsors on page 16. Without them this program would not be possible. If you have the chance, please thank them.

Have a great summer, participate in the summer learning challenge, and visit us often!

Jeffrey D. Swope, Executive Director

2019 Annual Summer Learning Kickoff Festival
Friday, June 7 from 5 to 8pm
There will be activities, crafts, programs and more. Plus, you can sign up and get started on your Summer Learning Challenge!

SPECIAL PERFORMANCE
“The Gravity of Nature”
By Ryan “TheBugMan” Bridge
6:00pm
Learn about Bugs in Space and how they’re teaching humans to survive, both today and in the future! Insects ARE... everywhere! Members of the audience will have an opportunity to hold the harmless LIVE bugs and get answers to questions they might have. TONS of cool, Bug Fun... Guaranteed!
Kickoff is FREE and no registration is required!

Summer Learning Fair
Our 2019 Summer Learning Challenge ends with Summer Learning Fair on Sunday, August 25 from 1:00pm to 4:00pm.
Fun for the whole family! There will be carnival-style kids’ games, crafts, snacks, family entertainment and other activities throughout the library.
- Kids can spend their reading coins on playing games and buying souvenirs!
- Last chance for kids to redeem points for reading coins!
- Can’t make it to the Fair, but still have coins to redeem? Please make arrangements in advance of the Fair with the Youth Service staff to pick up pre-selected prizes.
Special Performers for Families

Popcorn Hat Players - Tales from Ancient Greece
Tuesday, June 11 at 6:00pm
Registration requested
Old stories are made new in this hilarious adaptation of the classic Greek myths. Meet famous characters such as Hercules, Pandora, Zeus, Persephone, and King Midas with his golden touch! Laugh and learn about some of the most famous stories from our past!

Adam Swartz Puppets Presents
Captain Aesop’s All-Star Galaxy Games
Wednesday, June 19 at 6:00pm
Registration Requested
Get ready to cheer for puppets from distant planets! Unique creatures and human characters exercise their bodies, minds, and feelings in a variety of cosmic challenges based on Aesop's Fables. Perseverance, sportsmanship, and imagination will be put to the test! What's the moral of the story? That's up to the audience to discover!

Silly Joe Sings!
Thursday, June 27 at 6:00pm
Registration Requested
Join us for a family concert featuring high-energy songs about the everyday lives of kids and families. With a guitar, a loud voice, a wig, a kazoo, boxer shorts, and a lot of silly body movements, Silly Joe keeps everyone involved in the show. Grumpy dads, crazy pets, brother and sister relationships, and kids who act goofy are all featured in this lighthearted concert.

Princess Beauty’s Tea Party
Saturday, July 13 at 10:00am
Registration Requested
Princess Beauty is having a tea party and storytime, and she wants to invite you! Princess Beauty herself will be here to share some of her favorite stories, followed by tea with HRH.

Summit Search and Rescue
Wednesday, July 24 at 6:00pm
Registration Requested
Summit Search and Rescue is a non-profit agency which trains and provides man-trailing bloodhounds to help locate missing individuals. Meet Detective K9 Briggs and find out how they’re trained to do the work they do, whether it’s finding a lost child or assisting law enforcement in criminal investigations.
Join the Adult Learning Challenge and be a part of a community of learners, because at any age, and at any stage, reading and lifelong learning are a part of a healthy, happy, and vibrant life!

Who can Join
Adults ages 18 and up

How to Join
Register online at https://boslerlibrary.beanstack.org. You can also register by stopping at any of the library’s service desks and filling out a paper registration form.*

What to Do
Read books, graphic novels, or listen to audiobooks all summer long, including eBooks and eAudios! Each time you finish a book or audiobook log it into your online Summer Learning account or fill out an entry form at any one of the library’s service desks.* As you log your reading you will earn badges. When you earn select badges you get tickets which can be used to enter a variety of drawings happening throughout the summer!

BUT WAIT THERE’S MORE!

In addition to logging books and audiobooks, you can also log activities! Activities will also earn badges and additional tickets! A full list of available activities and how to complete them is listed in your Summer Learning account at https://boslerlibrary.beanstack.org under “Activity Badges.” A paper list is also available for pick-up at the library.*

What’s the Outcome
The more reading and activities you complete, the more badges you will win which will earn you more tickets to enter special drawings. Some prizes in these drawings include:

Gift Certificates for various businesses
Amazon Echo Dots

And the Grand Prize winner will receive an iPad Mini!

Note: Adults may win in more than one of the drawings. Being a winner in one of the drawings does not disqualify adults from winning in another drawing or grand prize, as long as they have used tickets to enter the drawing.

*To get the most enjoyment out of our Adult Summer Learning Challenge we recommend using the online platform as opposed to paper forms. We will have computer logging stations set up around the Library for you to log your reading and activities.

Adult Program and Event Registration
To register for adult programs and events please call the Information Services Desk at (717) 243-4642 ext. 2237. Registration for all adult programs opens May 20.
**Music @ Bosler**

7:00pm to 8:00pm  
No Registration Required  
Join us for these free concerts!

**May 24** - The Flat Wheels (*Folk Rock*)  
**June 28** - Ajay and Friends (*R&B Fusion*)  
**July 26** - Jamie O’Brien (*Irish*)  
**August 23** - Capital C (*Hip-Hop*)

The Music at Bosler series is made possible in part with support from concertgoers, and the Arts for All Partnership, a partnership between the Cultural Enrichment Fund and the Greater Harrisburg Foundation, a regional foundation of The Foundation for Enhancing Communities.

---

**The Victorian Historian**  
Wednesday, May 29 at 7:00pm  
No Registration Required  
Join us for Adam Shefts energetic program that consists of stories, facts, footage, audio and video demonstrations, which is sure to entertain and educate both history enthusiasts and non-history enthusiasts alike!

Adam Shefts is a researcher and historian of America’s 19th and early 20th century, with a focus on the more interesting and obscure information to come out of those eras. Adam used his knowledge to create this entertaining and family-friendly interactive program.

Some topics covered in this program include: how a young girl’s letter influenced Abraham Lincoln to grow his trademark beard, why women voluntarily consumed poison as a beauty aid, how barbershop-style singing was used to block out screams of pain during surgery, and much more!

---

**The History of Space Exploration**  
August 1 at 6:00pm  
No Registration Required  
“It’s human nature to stretch, to go, to see, to understand. Exploration is not a choice really; it’s an imperative”  
- Michael Collins, Apollo 11 Astronaut.

Space exploration has an extraordinary history that includes landing on the moon, building the international space station, sending rovers to Mars, and voyaging beyond our Solar System. Join us for a special presentation from NASA Solar System Ambassador Chad Lower as he takes us through the history of space exploration.

Chad has been teaching or tutoring in some capacity since 2000. He earned his BA from Messiah College (major: Mathematics, minor: Chemistry), his MS from Shippensburg University (Mathematics), and earned his Secondary Teacher Certification in Secondary Mathematics and Chemistry through Marygrove College.
Come read, discuss, and learn about Shakespeare this summer! In this course, we will read two plays by Shakespeare: a comedy, *Much Ado About Nothing*, and a tragedy, *Othello*. Designed for newcomers and literary aficionados alike, this course will cover who Shakespeare was, ask why he remains so compelling, and consider what these plays in particular have to say to us today. If you have never read Shakespeare, now is your chance to tackle one of the greatest authors of the English canon in a safe, open, and thought-provoking environment.

**Mindfulness: Practicing the Art of Living 1 & 2**  
**Course Instructor:** Toru Sato  
**Multi-session course schedule:**  
**Part 1 - Tuesdays:** 5/7, 5/14, 5/21  
from 1:45pm to 3:00pm  
**Part 2 - Saturdays:** 7/6, 7/13, 7/20, 7/27, 8/3, 8/10  
from 10:30am to 11:45am  
**Registration Required:** Limit 25  
**Note:** You do not need to attend part 1 to attend part 2

This course consists of guided meditations exercises as well as stories, poetry, and inspiring quotes about mindfulness. Each session will consist of two segments. The first segment will be a 45 minute guided meditation exercise. The second segment will consist of stories, poetry, and inspiring quotes regarding the mindfulness practice. Participants may choose to attend both segments or just one of them (first or second).

Toru Sato received his Ph.D. in Psychology at York University in Canada. He currently serves as a Professor at Shippensburg University and is passionate about studying Depth and Transpersonal Psychology (emotions, human relationships, consciousness, & spirituality). He is the author of "Two, One, None: Conversations on Meditations" and "The Ever-Transcending Spirit: The Psychology of Human Relationships, Consciousness, and Development." He has had the privilege to work with numerous individuals on their personal development and often incorporates meditative exercises into his work with them.

Jordan Windholz holds a PhD from Fordham University, an MFA from the University of Colorado, Boulder, and a BA from Messiah College. His scholarly work has been published in *English Literary Renaissance*, *Renaissance Quarterly*, and *Modern Philology*, and his poetry has been published in *Boston Review, Best New Poets*, and *The Cincinnati Review*, among other places. His book of poems, *Other Psalms*, won the 2014 Vassar Miller Prize in Poetry. He is an assistant professor of English at Shippensburg University, where he teaches courses on Shakespeare, Renaissance British literature, creative writing, and technical and professional writing. He lives here in Carlisle with his family.

**Summers with Shakespeare**  
**Course Instructor:** Jordan Windholz  
**Multi-session course schedule:**  
**Tuesdays:** 6/4, 6/11, 6/18, 6/25, 7/2, 7/9  
10:30am to 11:45am  
**Registration Required:** Limit 20

Come read, discuss, and learn about Shakespeare this summer! In this course, we will read two plays by Shakespeare: a comedy, *Much Ado About Nothing*, and a tragedy, *Othello*. Designed for newcomers and literary aficionados alike, this course will cover who Shakespeare was, ask why he remains so compelling, and consider what these plays in particular have to say to us today. If you have never read Shakespeare, now is your chance to tackle one of the greatest authors of the English canon in a safe, open, and thought-provoking environment.

Hugh Dyarman, award winning model builder, will explain the process of this craft, all the way from the initial idea, to the execution and finishing touches. Hugh has been building models throughout his adult life and encourages people to do so while sticking on a budget. If you’re curious or want to have some crafty fun, come into this two-day workshop for beginners, and learn all you need to know to jump start a new hobby.

**To-Scale Model Building**  
**Course Instructor:** Hugh Dyarman  
**Multi-session course schedule:**  
**Wednesdays:** 8/14 and 8/21  
5:30pm to 6:30pm  
**Registration Required:** Limit 10

Adult Programs & Events

Financial Literacy Courses  
3rd Wednesday each Month during Summer  
6:30pm to 7:30pm  
Registration Required: Limit 25

June 19 - Checking accounts  
What is a checking account? This is a presentation that will give you all the ins and outs of a bank checking account. This is a great seminar to be able to ask questions about types of accounts that are out there, how to use the account and how to keep track. We will even go over how to write a check or use online bill payment.

July 17 - Budgeting and Savings  
This is a great seminar on how to create a household budget. Needs vs. Wants. Creating a savings plan that is attainable.

August 21 - Identity Theft  
This is a must see. There is a lot of fraud and identity theft in the world today. Learn what scams are out there and how to protect your bank account.

These seminars are presented free from BB&T Bank.

Learn more about Alzheimer’s with the Alzheimer’s Association

10 Warning Signs of Alzheimer’s  
Wednesday, June 5 at 5:00pm  
Registration Required: Limit 15

Alzheimer’s and other dementias cause memory, thinking, and behavior problems that interfere with daily living. The educational program developed by the Alzheimer’s Association helps people recognize the common signs of Alzheimer’s and know what to watch for in themselves and others.

Healthy Living for the Brain and Body  
Wednesday, July 17 at 5:00pm  
Registration Required: Limit 15

At any age there are lifestyle habits we can adopt to help maintain or even potentially improve our health. These habits may also help to keep our brains healthy as we age and possibly delay the onset of cognitive decline. This workshop covers four areas of lifestyle habits that are associated with healthy aging: cognitive activity, physical health and exercise, diet and nutrition, and social engagement.

For more information about these programs or the Alzheimer’s Association please contact info@alz.org.
Gender Identity Workshop  
**Saturday, June 1 at 1:00pm**  
**No Registration Required**  
Former Executive Director of The LGBT Center of Greater Reading, Jocelyn Claire Young, and Gender Identity advocate in Central Pennsylvania, Janelle Kayla Crossley, will be offering a workshop on Gender Identity.

Through this workshop, participants will have a better understanding of common identities within the LGBTQ+ community, as well as the coming out process. Plus, participants will be able to distinguish the differences between the following concepts: sexual orientation, gender identity, gender expression, and biological sex. Another topic that they will be talking about leans towards better understanding of appropriate and inclusive language when dealing with the LGBTQ+ community.

Supporting LGBTQ+ Youth  
**Monday, June 3 at 5:30pm**  
**No Registration Required**  
This interactive workshop aims to provide practical tools parents, counselors, educators, and aspiring allies can implement to support LGBTQ+ youth in schools K-12. From making a transition plan to auditing the inclusivity of the physical building, there are many ways folks can increase support for children and young adults. Participants will leave with increased knowledge to serve as a support person for LGBTQ+ youth.

Lindsey Lughes is the Director of Training and Education for the LGBT Center of Central PA, and previously served as the Director of Youth Programs for the same organization. Currently, Lindsey uses her passion to conduct several workshops a week on LGBT issues, with a specialization in transgender identities, terminology, and best practices. Lindsey is a certified trainer by the Transgender Training Institute.

The Stress Relief Method  
**June 3 from 6:00pm to 8:00pm and August 12 from 6:00pm to 8:00pm**  
**Registration Required: Limit 25**  
The Stress Relief Method is a six-step process created by Chou Hallegra, Certified Counselor & Life Coach. In this simple yet effective guide, she teaches the different types of stress, equips you with strategies to overcome stressful events and helps you create a life without stress. Life can be stressful but you don't have to be stressed out all the time.

Chou Hallegra is the Author of The Stress Relief Method. As a Certified Counselor and Life Coach, Chou is passionate about helping others achieve emotional wellness, reach their full potential and live fulfilling lives.

How Money Works  
**Wednesday, June 5 at 6:30pm**  
**Registration Required: Limit 25**  
In this seminar you will learn the basics of financial management, gain some tips on taking control of your debt, and learn about financial concepts such as the rule of 72 and the power of compounding interest. Participants will also learn the importance of setting financial goals. Presented by Tim Eicholtz from Primerica.
“Porch Gods Gaming” Tabletop Crafting Workshop  
Saturday, June 15 at 2:00pm  
Registration Required, limit to 15  
In this workshop you’ll learn the fundamentals of miniature painting, including base coat, wash, and dry brush techniques. You’ll also learn tips and tricks for building terrain out of affordable and upcycled materials and how to speed build dungeon tiles, wall, and stairs. Miniatures and supplies for workshop will be provided.

Bosler is thrilled to partner with Porch Gods Gaming to offer this workshop.

https://porchgodsgaming.wordpress.com/

Addiction & Recovery  
Tuesday, July 23 at 6:00pm  
Registration Required: Limit 20  
Please call 717-249-6499 or email kristinv@raseproject.org to register.

The RASE Project and The Cumberland Perry Drug & Alcohol Commission are administering a FREE workshop on the nature of addiction and the joys of recovery. This training is intended to reduce stigma of addiction by educating and enlightening attendees. Participants will also gain understanding on how to act if they ever encounter a difficult situation that resonates with addiction and recovery.

Sexual Assault  
Wednesday, August 7 at 6:30pm  
No Registration Required  
One in three women and one in six men in the U.S. experience some form of sexual violence in their lifetime. Continuously we are seeing news stories covering famous figures speaking out or being accused of sexual violence and harassment. But how do these statistics and news stories affect us? What impact does sexual violence have in our community and what resources are available? Advocates from YWCA Carlisle’s Sexual Assault/Rape Crisis Services will be answering these questions and more. Please join us for an important discussion on the impact of sexual violence in our community along with effective prevention and intervention methods.

Introduction to the Python Programming Language: Level 0  
Saturday, August 17 from 1:00pm to 4:00pm - For Adults only  
Registration Required: Limit 15  
Python is one of the most popular computer programming languages. Universities often select Python as the language students will use for programming course work, regardless of the subject. In addition, Python is now popular among professional programmers. The key to Python’s popularity is it is a free, open-source software, which is easy to learn and for English speakers to read. This class is for people with no coding experience and no computer is needed. The class will teach some of the fundamentals of computer programming and it will be an engaging, hands-on coding class that will avoid a lot of technical terms. Presented by Elizabeth Goldstein.
Participating in summer learning is fun, easy and FREE. How it works:

Who can Join
Children ages birth through 12 years

How to Join
Register online at https://boslerlibrary.beanstack.org. You can also register by stopping at any of the library’s service desks and filling out a paper registration form.*

What to Do
READ at your own pace, alone or with someone. You can read a book, a magazine, or the back of the cereal box. You can listen to a book on CD, or check out a graphic novel.

Parents: Don’t forget that reading to your child (or with your child) can also be counted, no matter how young they are. After all, time shared reading together and to one another is as valuable as reading alone!

Each time you read, log the number of minutes you read into your online Summer Learning account or fill out a report form at any one of the library’s service desks.* As you log your reading you will earn badges and points. These points can be redeemed at the Youth Services Desk for coins to spend at our Five and Dime Counter, or saved to spend at our Summer Learning Fair on August 25. Summer Learning Challenge earnings end August 18, so be sure to log all of your reading minutes by midnight that day!

BUT WAIT THERE’S MORE!

In addition to logging the minutes you spend reading, you can also log activities! Each activity gives you a set number of additional points, giving you extra coins to spend! A full list of available activities and how to complete them is listed in your Summer Learning account at https://boslerlibrary.beanstack.org under “Activity Badges.” A paper list is also available for pick-up at the library.*

What’s the Outcome
Beginning June 17, stop at the Youth Services Desk when you visit the Library. Tell us you have points to redeem. We’ll check your online account, and give you the coins you have earned since your last visit. You can spend your coins immediately on small prizes from our Five and Dime Cart. OR, you can save your coins to spend playing games, doing activities, and purchasing snacks and other prizes at our Summer Learning Fair on August 25! For Information about the SUMMER LEARNING FAIR see page 2 of this booklet. Can’t make it to the Fair, but still have coins to redeem? Please make arrangements in advance of the Fair to pick up pre-selected prizes.

*To get the most enjoyment out of our Children & Tween Summer Learning Challenge we recommend using the online platform as opposed to paper forms. We will have computer logging stations set up around the Library for you to log your reading and activities.
Baby Time (Birth to 18 months)
Session Four and Five:
Tuesdays, 10:30am to 11:15am
Thursdays, 9:30am to 10:15am*
Registration Limit: 10

Toddler Tales (19 to 35 months)
Session Four:
Mondays, 9:30am to 10:15am
Wednesdays, 10:45am to 11:30am
Session Five:
Mondays, 9:30am to 10:15am
Wednesdays, 9:30am to 10:15am*
Registration Limit: 12

Preschool Storytime (3 to 6 years)
Session Four:
Thursdays, 10:30am to 11:15am*
Fridays, 9:30am to 10:15am
Session Five:
Tuesdays, 9:30am to 10:15am
Fridays, 9:30am to 10:15am
Registration Limit: 15

Sensory Storytime (3 to 7 years)
Session Four:
Wednesdays: 6/5, 6/12, 6/19
9:30am to 10:15am
Registration Limit: 10

Bilingual Storytime:
Spanish Edition (3 to 7 years)
Session Five:
Wednesdays: 7/24, 7/31, 8/7, 8/14
10:45am to 11:30am
Registration Limit: 15

What an exciting time! Your infant has so many things to learn, like sounds, focus, and words. Help him learn by using rhymes, songs and finger plays. And let us help you learn the songs and rhymes so you can be your child’s first, and best, teacher. We’ll also share a special book for babies in each class. For moms, dads, grandparents and anyone else who cares for your infant.

Your child is up and running, and busy all the time. There’s so much to explore and discover! Help your child develop a love of reading and learning at Toddler Tales, while you learn some tips and tricks to continue teaching her at home. Stories, songs, rhymes and finger plays, as well as a chance to explore things around her with hands-on activities and interact with other children her age.

Fun and educational, helping to give your child a solid foundation for the future! That’s Preschool Storytime at the library. Age-appropriate books, activities filled with rhyme and rhythm, and hands-on crafts and activities to encourage your child to ask questions and explore the world around him to find the answers. Your child will leave with the early learning skills that will help her succeed in school and in life, and have tons of fun doing it!

Designed especially for the preschooler with sensory challenges, autism, or short attention spans, this storytime offers families a fun and enriching storytime experience in a structured setting that will help your child explore the world around them through their senses and movement.

The formative years between ages three and six are the perfect time to introduce a new language. This summer, we’re debuting our new Preschool Storytime: Spanish Edition. With great stories in Spanish and English, as well as songs and other enrichment activities, it’s sure to be fun and educational for your preschooler. Whether Spanish is your first language, or a language you’d like to learn, join us for this enriching storytime told in Spanish.

*The Library will be closed on Thursday, July 4 and open at Noon on Wednesday, July 17.
Join us for our new five-class technology program for preschoolers! Your child will learn early STEM, engineering and socialization skills, all while having fun in a hands-on setting, exploring cool techno gadgets like bristlebots and more.

This program is made possible with funds from the Martin M. Sacks Memorial Fund, a fund of the Foundation for Enhancing Communities.

Parachute Play: Outer Space
3 to 7 years
Program Length: 45 minutes
Session Four: Wednesday, June 26 from 9:30am to 10:15am
Session Five: Friday, July 26 from 10:30am to 11:15am
Registration Limit: 15
Come join us for an outer space themed parachute play. Things will be fun and physical as we launch our big, colorful parachute into a universe of possibilities!

Bicycle to the Moon
5 to 7 years
Program Length: 60 minutes
Session Five: Wednesday, July 17 from 1:00pm to 2:00pm or Monday, August 5 from 10:30am to 11:30am
Registration Limit: 15
Join us as we share How to Bicycle to the Moon to Plant Sunflowers, then plant some sunflowers and decorate our pots with moon rocks!

Meet the Composers*
8 to 12 years
Program Length: 60 minutes
Mondays, 10:45am to 11:45am
Registration Limit: 15
Johann Sebastian Bach. Antonio Vivaldi. Meet these composers and more at Meet the Composers. You’ll learn about their musical styles and lives through literature, movement, and hands on activities. No previous musical knowledge is needed as we adventure through various instruments and musical styles!

1941, Hawaii. America is just out of the Great Depression and World War II looms. Young Nanea Mitchell may be the youngest member of her family, but she still wants to be useful. How can this young girl help, especially when Japan attacks the military base in Pearl Harbor where her father works?

American Girls Club Meet Nanea*
8 to 12 years
Program Length: 60 minutes
Thursdays, 10:45am to 11:45am
Registration Limit: 15
Meet the Composers and American Girls Club are made possible with funds contributed by Orrstown Bank and Weis Markets through the Pennsylvania Educational Improvement Tax Credit program (EITC).
## Tween Programs & Events

### Travel with Me to the International Space Station
7 to 10 years  
**Program Length:** 60 minutes  
**Session Four:** Thursday, June 13 from 6:00pm to 7:00pm  
**Session Five:** Friday, August 2 from 11:00am to noon  
**Registration Limit:** 15

Come join us for a one time ‘Travel with Me’ to the International Space Station! We will explore a day in the life of an astronaut aboard the ISS, such as the food they eat, how gravity affects their daily routines, and the research they do.

### Library Secret Agent Bootcamp
7 to 12 years  
**Session Four:**  
Monday July 8 through Friday, July 12 from 10:30am to 11:30am each day.  
**Must attend all five classes**  
**Registration Limit:** 15

Have a BLAST in the library while learning all about it, through games, treasure hunts, and lots of fun.

### Space Poetry
8 to 12 years  
**Program length:** 90 minutes  
**Session Four:**  
Monday July 22 from 1:30pm to 3:00pm or Wednesday, July 31 from 6:00pm to 7:00pm  
**Registration Limit:** 15

Read, write, and perform poetry --- from Shel Silverstein and Jack Prelutsky to acrostics, limericks, and tongue twisters!

### Bicycle to the Moon

Read books, graphic novels, or listen to audiobooks all summer long, including eBooks, eAudios, and our new Playaways! Each time you finish a book or audiobook log it into your online Summer Learning account or fill out an entry form at any one of the library’s service desks.* As you log your reading you will earn badges and points. Each point earns you an entry into our monthly prize drawings!

BUT WAIT THERE’S MORE!

In addition to logging books and audiobooks, you can also log activities! Each activity gives you a set number of additional points, giving you more entries into our drawings! A full list of available activities and how to complete them is listed in your Summer Learning account at https://boslerlibrary.beanstack.org under “Activity Badges.” A paper list is also available for pick-up at the library.*

What’s the Outcome
The more reading and activities you complete, the more chances you have to win some great prizes! The drawings and prizes will take place on these dates:

June 26 – $10 Gift Cards for Sweet Frog
July 24 – $15 Gift Cards for Leo’s Ice Cream
August 19 - $25 Gift Cards for Sports Emporium
$25 Gift Cards for Regal Theatres

Note: Teens may win in more than one of the monthly drawings. Being a winner in one of the monthly drawings does not disqualify teens from winning in another monthly drawing.

*To get the most enjoyment out of our Teen Summer Learning Challenge we recommend using the online platform as opposed to paper forms. We will have computer logging stations set up around the Library for you to log your reading and activities.

Teen Program and Event Registration
To register for teen programs and events please call the Youth Services Desk at (717) 243-4642 ext. 2231. Registration periods are as follows:

Session Four: June 3-July 7, registration opens May 20 at 10 AM
Session Five: July 15-August 18, registration opens July 1 at 10 AM
Introduction to the Python Programming Language: Level 0
Session Five: Saturday, July 20 from 1:00pm to 4:00pm - For Teens only
Registration Required: Limit 15
Python is one of the most popular computer programming languages. Universities often select Python as the language students will use for programming course work, regardless of the subject. The key to Python’s popularity is it is a free, open-source software, which is easy to learn and for English speakers to read. This class is for people with no coding experience and no computer is needed. The class will teach some of the fundamentals of computer programming and it will be an engaging, hands-on coding class that will avoid a lot of technical terms. Presented by Elizabeth Goldstein.

Galaxy in a Bottle
Session Four: Monday, July 10 from 1:30pm to 3:30pm
Registration Limit: 15
Put the Galaxy in the palm of your hand! Create some out-of-this-world slime, or thinking putty! Can you contain the universe in a bottle? We will try by making a nebula in a jar or a space calming bottle.

Starry Night
Session Four: Monday, June 17 from 1:00pm to 2:00pm
Registration Limit: 15
Let’s bring the stars to downtown Carlisle’s streets, as we recreate Van Gogh’s Starry Night in sidewalk chalk.

Paint Night
Session Five: Thursday, July 25 from 6:00pm to 7:30pm
Registration Limit: 15
Art and astronomy come together in our newest teen program. Why wait till it’s nighttime and a clear sky to see the stars? Come create a unique constellation canvas painting. Choose your favorite constellation and we’ll help you to recreate it. We’ll even make it light up so you can always have a guiding star.

Harry Potter Adventure
Session Five: Wednesday, August 7 from 5:00pm to 8:30pm
Registration Limit: 15
Spend a half hour creating some Harry Potter magic, then enjoy watching Harry Potter and the Sorcerer’s Stone with your friends! Movie snacks will be provided. (This movie is rated PG.)

Teen STEM Challenge
Session Four: Wednesday, June 12 from 1:00pm to 2:00pm
Tuesday, July 2 from 6:00pm to 7:00pm
Session Five: Sunday, August 4 from 1:00pm to 2:00pm
Registration Limit: 15
Exercise your brain this summer with our STEM challenges! A new one each month! Try the Spaghetti Challenge, Hexbug Maze, or Egg Challenge!
Thank You!

The Bosler Memorial Library thanks its 2019 Summer Learning Challenge

SPONSORS

The Donald B. and Dorothy L. Stabler Foundation

Support for the Summer Learning Challenge was also provided by Riverview Bank, Weis Markets, Inc., UGI Utilities, Inc., PPL, and Avalon through the Cumberland County Library System Foundation.
