**1000 Books Before Kindergarten**

With 1000 Books Before Kindergarten, parents are challenged to read to their children to get them ready to read. Get more info at Children's Desk.

\*Why is this STEM program only offered for girls? There is a massive gender imbalance that persists in STEM-related fields, and it's important that we give girls a chance to learn and thrive in a supporting environment. We hope to inspire girls to develop and maintain an interest in STEM-related topics and future career fields.
