

Color in a circle each time you read or listen to a book. When it's complete, bring it to the John Graham Public Library for a prize!

Color in a circle each time you read or listen to a book. When it's complete, bring it to the John Graham Public Library for a prize!

A 5x10 grid of 50 empty green circles, arranged in 5 rows and 10 columns. Each circle is a uniform green outline with no fill. The circles are evenly spaced and form a rectangular pattern.

Congratulations! You have reached **700** Books!
