We want to hear from you!

The Cumberland County Library System is conducting an online technology survey from October 6, 2014 through October 31, 2014 to learn more about how people use the library's computers and Internet services. And, if you complete the survey by October 31, 2014, you'll be entered into a drawing for a brand new Amazon Kindle! (Donated by library vendor Brodart)

The survey is anonymous, available in English and Spanish, and takes 10-15 minutes to complete. Personally identifiable information will not be associated with survey responses.

Please support the library service and help us improve our services. Go to the library website <http://cumberlandcountylibraries.org> to fill out the survey or get it from one of the library's public access computers.
