From Our Director, Jody Cole

To all of you in our library community, thanks for staying with us and continuing to support us during these difficult times. We hope you and your families are staying safe and well. We are not certain when we will be in the physical building again, but we are here virtually for you. Ms. Sami is reading The Secret Garden nightly on Facebook, and you can try out our Pete the Cat escape room. See our library homepage. For those of you whom haven't tried our databases, e-books, or e-audiobooks, now's the time! For young people, try BookFlix, TrueFlix, and Tumblebooks. It's fun to have the stories read to your children. To access these databases, click on BookFlix or TrueFlix on our homepage. Or you can use the top navigation, click on Collection and Services, and then on Databases. To access e-books or e-audiobooks, go to Collection and Services as well, and then to e-books. Try downloading Libby first to see if it is compatible with your device. It's easier to use than Overdrive. For all of these, you'll need your library card. And if you don't have a library card, we've made digital access available online. Go to the same place: Collection and Services. You will be able to apply for a card to access our e-resources. We hope it helps for you to be able to use these resources! We have homework help through Tutor.com and so many databases for you to explore for learning and entertainment as well. Curl up with your devices and check them out! We can all share our new technology experiences when we see each other again.
