Music at Bosler presents Forrest Brown Duo

May 25, 7:00 pm

Back by popular demand to *Music at Bosler*, Forrest Brown has been a staple on the Central Pennsylvania music scene for quite some time. In his career he's been a member of several well-known area bands and performed with some of the area's finest musicians, including Blitz Dynette, Shea Quinn and Rich Clare's Pentagon. He is currently filling the guitar chair for the Uptown Band out of Reading, PA. Although stage performance is his forte, he is equally at home in the studio or in the pit.

Forrest has recorded three albums with his band Blitz Dynette and has a number of musicals to his credit including "A Closer Walk with Patsy Cline," "Smokey Joe's Café," "Godspell," "Frame," and most recently "All Shook Up." He is able to blend R&B, Pop, Rock, Jazz, and even a little Country if the situation warrants. Versed in many styles, Forrest Brown is a performer worth seeing.

The Music at Bosler series is made possible in part with support from Drs. Beth and Truman Bullard, concertgoers, and the Arts for All Partnership, a partnership between the Cultural Enrichment Fund and the Greater Harrisburg Foundation, a regional foundation of The Foundation for Enhancing Communities.
