The Growing Learner’s Library

Fall 2024 Program Guide
Welcome to the Growing Learner’s Library

The Growing Learner’s Library Program Booklet is published in the spring and fall of each year. It contains information about the exciting activities for you and your family at the Library. Please keep the following in mind as you plan your library visits:

- **Youth Services programs are designed for attendance by both children and their adult parent/caregiver. Please be prepared to stay and enjoy the program with your child. Our attended child policy requires a parent, guardian, or caregiver to accompany children under the age of 12 at all times.**
- We understand that learning is not linear. Our program room is a safe learning space where children are respected for who they are and where they are at in their learning journey. We welcome you no matter what your journey looks like and expect all families in our programs to do the same.
- When registering for programs that run for multiple weeks (indicated in the booklet), you are registering to attend each week of the program.
- If you register for a program and discover that you cannot attend, please contact the Youth Services Department at (717) 243-4642, ext. 2231 to be removed from our registration list so that others on the waiting list can attend. For multiple class programs, your children will get the most out of the program if they attend all of the classes. If you find you are unable to attend at least three or more of the classes, please consider registering at another time.
- We understand that sometimes a child needs a break. Please feel free to step out of a program if necessary and rejoin us later.
- Please be advised that the Library sometimes photographs group programs for use in the Library’s publications and advertisements. Photos are the property of Bosler Memorial Library. If you would prefer not to appear in any group photo taken by the Library, please advise your program leader prior to the event.

Our Growing Learners Library Booklet is generously sponsored by:

The Library will be closed September 2 and 11, October 23, November 28, and December 25. The Library closes at 5:00 pm on December 24 and 31.
Lots of Learning in the Garden!

Bosler’s new Children’s Learning Garden has gotten a lot of use! Since opening earlier this spring, kids have participated in a variety of different programs in the garden and the connected programming porch.

These programs included Nutrition in the Garden, Little Scientists: Seeds We Eat, Backyard Birding, Garden Family Storytime, Teen Murder Mystery Party, Tween Quest Outdoor Art, Toddler Sensory Exploration, Summer Camp Visits from YMCA and CEEC, and several other regular Storytimes. Teens even spent one of their weekly Teen Cafés in the garden area to paint the pieces for the caterpillar container garden now located along West Street.
