Update on Newspaper Subscriptions

Thanks to the generosity of a number of anonymous donors, Bosler was able to purchase new subscriptions for **The New York Times** and the **Wall Street Journal!** The Journal is now available for you to come and read at the Library again; however, the Times delivery has not yet begun, but we expect to start receiving issues in the next week or two.

We are still waiting to find out the cost of reinstating a subscription to The Washington Post. Since the Post does not have regular delivery service in Carlisle, Bosler's only option for this newspaper is through Hudson News Distributors.

Thankfully, you can always access the local newspapers, as well as some other news sources via our [online databases on our website](#), including [GALE OneFile: News](#) with your library card number.

If you would like to Adopt a Newspaper to help cover the cost of Bosler's subscription, please contact Molly Shane, CFRE, Development Officer, at mshane@cumberlandcountylibraries.org or 717-243-4642 x3222 for more information about how you can help.
