Dear Library Supporters,

It is with great optimism that we share with you this report on Bosler Memorial Library’s financial status and program highlights from 2022. After two years of pandemic disruptions, 2022 brought about opportunities to serve the Bosler Library community in new and creative ways.

We were delighted to see more of you back into the Library building, with library visits increasing 76% over 2021, circulation going up 16%, and program attendance up by 128%! A big reason for the increase in program attendance included the expansion of outreach programs held in various locations throughout the Bosler service area.

In addition to a robust outreach schedule, other highlights from 2022 included the launch of the Children’s Learning Garden campaign, the introduction of our new Library of Things, and several new partnerships with area businesses and other community organizations.

This report celebrates all of you who contributed to Bosler Memorial Library in 2022 and the impact of your great generosity. Much of this will carry over into 2023 and beyond as we look forward to the opening of the Children’s Learning Garden and the potential for all that this new programming space has to offer to the community.

Empowering lifelong learning together,

Hope Miller
President
Library Board of Directors

Jeffrey Swope
Executive Director
Bosler Memorial Library

- Uses of library internet: 15,248
- Uses of wireless internet: 12,272
- Public use of meeting rooms: 206

Operating Income

- In-Kind Donations
  - County Tax: $573,319
  - Total: $60,511

- Donations & Grants: $312,728
- Self-Generated: $199,092
- Operating Income: $1,521,417

Operating Expense

- Personnel: $993,110
- Collections (Includes In-Kind): $269,707
- Fundraising: $11,551
- Operating: $247,049
- Total: $1,521,417

Thank you!

Although inflation and other economic challenges affected many people’s giving potential in 2022, your response to the “Turning the Page” campaign in the early part of the year, along with the “Nurturing Lifelong Learning” campaign at the end of the year, totaled more than $70,000 and generated an additional $4,000 in matching funds! This, on top of another $318,000 in unsolicited general and tribute donations, several restricted gifts, grants, sponsorships, and in-kind donations helped Bosler get through another year with the ability to provide quality library services, materials, and programs for the public to access and enjoy. Thank you!

This unaudited financial report reflects income directly applied to 2022 operations and actual expenses for 2022 operations. For audited financial statements, visit Bosler’s website in mid-2023, or call the Library at (717) 243-4642, x3222.
New Children’s Programs on the Trades
With the help of a new sponsorship from Tuckey Companies, Bosler launched several new program series in 2022 focused on the trades. These are opportunities for children to explore carpentry, masonry, plumbing, and other trades through fun activities. Trader Tots is for children ages 3 to 6, and Kids of the Trades is for ages 7 to 12. During the summer Kids of the Trades session on carpentry, participants learned workshop safety rules, identified tools of the trade, and constructed a candy dispenser out of wood. During the fall session on the culinary arts, participants made pizza from their own recipes they had created. In Trader Tots, each week introduces a new trade, rather than focusing on one trade for the entire series. The 2022 summer and fall series introduced masonry, carpentry, construction, culinary arts, plumbing, locksmithing, and electrical. Activities included baking cookies, working with different locks and keys, exploring circuits, building with stones and clay, and making fruit salad.

Exhibits
Exhibits through the Carlisle Institute for Lifelong Learning brought exciting learning opportunities to individuals. One very popular exhibit was “Local Poverty – Up Close and Personal.” The goal of this exhibit was to increase awareness and understanding of poverty and its impact on all communities, in order to improve advocacy for the poor. This exhibit had 90 visitors while it was at Bosler. This exhibit was provided by Kelli Knapp, Director of the Warren Library Association and Seneca District Administrator. Additional exhibits Bosler hosted during 2022 included “Bees: The Role of Pollinators and Beekeeping,” “Our Molten Moon: The Story of the First Moon Rocks,” “Bittersweet Harvest – The Bracero Program 1924-1964,” and “EveryBody – An Artifact History of Disability in America.”

Library of Things Launched in 2022
As a way to meet demand from the public for different kinds of items to borrow, Bosler launched its new Library of Things in July with a focus on yard games and added special technology and assistive devices later in the year. Among the items now available for check-out are cornhole, badminton, frisbee golf, yardzee, wireless keyboards, large print keyboards, Bluetooth speakers, magnifying glasses, tripods, display adapters, and much more!

Library of Things items check out for two weeks and can be renewed two times, unless an item has a hold on it. Due to storage availability and other issues, Library of Things items can only be picked up and returned at the Bosler Library. They cannot be shipped to other libraries.
Volunteers
In 2022, 99 individuals volunteered their time at the Library! Together they accumulated 1,254.75 hours, the equivalent of .64 full-time staff members. These volunteers included a group of students from South Middleton High School who assisted our facilities staff with maintaining the Tower Gardens seen in the Library. We also welcomed various students from Carlisle High School who worked in our Information Services Department gathering historical information from our reference collection.

“The Library has been a part of my life since I was a kid just starting to read, so when I needed to get my required 16 hours of volunteer service for National Honor Society and AP Government, I was glad to be able to fulfill these at Bosler.” - Maya Reichenbach

Bosler’s 2022 SummerQuest kicked off with a pirate party and scavenger hunt! SummerQuest also featured great performers such as The National Aquarium teaching children about sharks and Forgotten Friend Reptile Sanctuary teaching about snakes, lizards, and more!

Bosler’s SummerQuest gave readers an opportunity to earn prizes for logging their minutes read. Kids ages birth through 12 would earn coins while reading which could be used to redeem prizes. Teens and Adults would earn raffle tickets that could be used to enter drawings of gift cards and other special prizes. Bosler had 827 individuals registered for the 2022 SummerQuest, with 625 of them logging reading! The biggest age group participating was school age kids, accounting for over 60% of readers.

2022 saw a new addition to our SummerQuest program. GO Cumberland, a partnership between WellSpan Health and the Cumberland County Library System, was a new initiative where participants visited local parks looking for a specific “anchor” which contained a rubbing plate. Children and teens who completed at least three hikes earned a special GO Cumberland patch.

“My daughter is 13 and this is the first year she's totally ravenous about summer reading just for fun. She's read about 5 books and got her first library card this week. I came home today and she left her phone inside but I found her swinging outside with a Bosler library book. She also requested all of the Heartstopper graphic novels and got them on hold from other libraries. Read them in a day!” – Brenda Landis
Local Business Marks 10 Years of Sponsorship Support

Among the corporate and foundation donors that have supported Bosler over the years, Mountz Jewelers stood out in 2022. For ten consecutive years, Mountz Jewelers has sponsored Music @ Bosler’s December holiday concert, bringing live musical entertainment for free to almost a thousand concertgoers!

It is mainly thanks to Megan Matzner, Director of Marketing for Mountz Jewelers, that Bosler has benefited from the annual sponsor support from Mountz. Matzner served on the Bosler Memorial Library Board of Directors from 2013 to 2018. She initiated the first Music @ Bosler sponsorship from Mountz in 2013, and has continued to support the program each year.

For nine of the past ten years, the Vintage Brass has performed for Music @ Bosler audiences in December.

Pictured: Vintage Brass with Megan Matzner, Director of Marketing for Mountz Jewelers, and Molly Shane, Development Officer for Bosler.

Pop-Up Library Outreach

Through Pop-up Libraries in 2022, Bosler offered multiple opportunities to community members who could not visit the physical Library building or who may not have known what services are available to them through the Library. Pop-up Libraries included programming, small read and return book collections, library card sign-ups, Wi-Fi hotspots, and a myriad of other offerings for community members.

Pop-up Libraries in 2022 included 31 outreach events in addition to 5 Bosler Free Library locations that operated continually throughout the year. Bosler participated in such events as the Hope Station Black Cultural Festival, YMCA Healthy Kids Day, Carlisle SummerFair, AMANI Festival, Project SHARE Distribution Days, Carlisle Barracks Welcome Expo, Dickinson College Freshman Orientation, Middlesex Township Tree Lighting, and many others. Bosler staff interacted with thousands of individuals interested in learning about library services and helped 228 people sign up for library cards at these events.

Bosler Free Library read and return book collection boxes were kept stocked throughout the year not only with books but also take-and-make kits and other activities for kids and families. The number of Bosler Free Libraries continues to grow, thanks to partnership support from the Carlisle Tool Library and Carlisle Arts Learning Center.

The expansion of Pop-up Libraries in 2022 was made possible in part with grant support from the Greater Harrisburg Community Foundation, a regional foundation of The Foundation for Enhancing Communities.

“During my summer internship at Bosler, I learned about non-profit management and funding, access to information, book censorship, institutional infrastructure, districting for school system and library service areas, and more. I was also able to pursue my passion for working with kids, and had a wonderful time leading the summer outreach programs for Carlisle Early Education Center and Summer Program for Youth.” – Jessie Zinderman
Kids Travel the World at Bosler
One of the most popular programs for school-age children in 2022 was Travel with Me. During each session, participants “traveled” to different island destinations around the world through reading, sampling food, and learning about the music, environment, history and art of each culture. Through their travels to Japan, Greece (Santorini), Hawaii, and Australia, kids made candy sushi, went on an outback safari, learned how to hula dance, and designed a Greek vase.

Walmart Grant Boosts Teen Programming
Thanks in part to a grant from Walmart, Bosler began offering weekly after-school drop-in programming for teens in the Boytim Teen Room. Once teens began coming to the weekly Teen Café, they invited their friends, and attendance quickly grew for the weekly and other special programs throughout the year. Teens have enjoyed learning new things, trying different activities, and making new friends. Activities have ranged from murder mystery parties to cookie decorating, Lego building challenges, an evening lock-in, and more.

Celebrate the Book Series
On Tuesday, October 4, Bosler welcomed bestselling author David Maraniss to speak about his book “Path Lit by Lightning: The Life of Jim Thorpe.” In partnership with Whistlestop Bookshop, David spoke about his research on Jim Thorpe and his connection with the Carlisle Indian School. 75 community members came out to hear David speak.

Cumberland County Waters - Connecting us All
In collaboration with various organizations and agencies, Bosler hosted an educational series aimed at increasing the community’s awareness of water conservation efforts and recreation opportunities. Programs in this series included learning about watersheds, stormwater issues, and aquatic life in streams. Participants also had the opportunity to venture outside the Library and visit Carlisle Borough’s water treatment facility.

Summers with Shakespeare
Our “Summers with Shakespeare” program returned to in-person sessions in 2022. In this course participants read two selected Shakespeare plays and discussed their relevance in today’s time. In 2022 the plays selected were “Cymbeline” and “A Winter’s Tale.” Each year a course companion or guide book is also created and placed in Bosler’s nonfiction collection.
The following individuals, small businesses, corporations and foundations contributed financial support in 2022 directly to Bosler Memorial Library for the purchase of books and other materials, sponsorship of programs, and keeping the Library open and operating for the benefit of our patrons and the public throughout the year. Your generosity is greatly appreciated!

**Please note:** This list does NOT include gifts under $35.00, used book donations, Children’s Learning Garden donations (see page 14), or contributions to the Friends of Bosler Memorial Library, which is a separate 501(c)(3) organization. (See pages 20 - 23 for Friends member listing.)

“Bosler Memorial Library has collected over 500 pints of blood at Red Cross blood drives since beginning this community service in 2017. We greatly appreciate your generous response to our request to host additional blood drives to replace sites and sponsors lost due to COVID-19 related cancellations and closures. Your contributions have been critical to keeping the blood supply flowing during this time period, more than doubling in 2020, and again in 2021!”

Bosler Memorial Library received donations in honor of several individuals during 2022. The names of donors who made honorary gifts are listed below the names of the honorees.

**Jim DiCrocco**
Friends of Bosler Memorial Library

**Courtney Hair LaRue**
Friends of Bosler Memorial Library

---

**In Honor Of**

Bosler Memorial Library is grateful to all our donors. We have made every attempt to ensure accuracy in recognizing your support.

If, however, you note an error or omission, please contact Molly Shane, Development Officer, at mshane@cumberlandcountylibraries.org or (717) 243-4642, ext. 3222.
Children’s Learning Garden Campaign Launched

A new, outdoor programming space at Bosler is closer to being realized thanks to the successful launch of the Children’s Learning Garden campaign in 2022. By the end of the year, the campaign had raised more than $643,000. Due to inflation and other factors driving up costs, the total project cost will now exceed $700,000. Any donations received in excess of the project need will be directed to the Bosler Board Designated Fund, which supports all Bosler children’s programs.

The Children’s Learning Garden, to be completed in the spring of 2023, will transform an under-utilized and unattractive space into a safe, welcoming, and engaging outdoor space for children to learn and make connections with the natural world.

The project is funded in part through a grant from the County of Cumberland, Gary Eichelberger, Commissioner Chairman, Jean Foschi, Commissioner Vice Chair, Vincent T. DiFilippo, Commissioner Secretary.

Listed below are gifts and pledge payments received in 2022.

The following donors supported library services by naming a day in honor or memory of someone in 2022. Each “Name a Day” sponsorship was recognized with the honoree’s name (below the donor’s name) on the Bosler website, digital message boards inside the library, bookmarks handed out to patrons, and on a Facebook post. Visit www.boslerlibrary.org for more information on how to Name a Day at Bosler Memorial Library.

The Bosler Board of Directors Honors Two of its Former Members

The Bosler Memorial Library Board of Directors recognized both Karen Rovegno and Sherwood McGinnis posthumously with the Nancy J. George Library Champion Award in 2022. The **Nancy J. George Library Champion Award** recognizes those who have contributed significant and long-standing support to Bosler Memorial Library.

During her decades of service to Bosler Memorial Library, **Karen Rovegno** played many integral roles, including President of the Friends of Bosler, Bosler Library Trustee, and Vice Chair of the Building a Better Bosler capital campaign. She was also until shortly before her death a long-time Bookery volunteer with a regular Thursday morning shift and additional duties managing the Bookery’s Amazon account. Throughout her involvement with Bosler, Karen gave generously of her time, talent and treasure and advocated on behalf of the Library’s mission in many ways. The Nancy J. George Library Champion Award was presented to her husband Rick at the November Board of Directors meeting on her behalf.

**Sherwood McGinnis**, who died in November 2021, was recognized in the 2021 Annual Report. He served on the Bosler Board of Directors from 2018 to 2021. The Nancy J. George Library Champion Award was presented to his daughter Claire at the March Board of Directors meeting on his behalf.

Board President Hope Miller presented the Nancy J. George Library Champion Award to Rick Rovegno on behalf of Karen Rovegno.

“The Bosler Memorial Library has always supported and contributed to civic engagement in the local community. As Judge of Elections for Carlisle 3-1, I was thrilled when Bosler offered to serve as our precinct location. The library staff have been responsive to every need, especially during the pandemic. Our voters appreciate the care Bosler staff devote to creating an accessible, non-partisan, and hospitable environment. The 3-1 poll workers all recognize the work involved in helping us on election day (beginning at 6 a.m.), and we are grateful.” – Becky Kline
Lila’s Legacy Society recognizes donors who have named Bosler Memorial Library in their wills or other areas of their estate plans and have informed the Library of their intentions. Anyone may join Lila’s Legacy Society with completion of a simple, one-page application. There are no minimum requirements for joining. The following individuals have joined Lila’s Legacy Society and receive benefits of membership, including invitations to special donor events.

A Message from the President of the Friends of Bosler Board of Directors

Dear Friends,

To all of you who have been loyal supporters of the Friends of Bosler Library, we extend a sincere thanks for all you have done. Your support has enabled the Friends to provide a substantial - and increasing - level of support to the Library to help it maintain and grow its significant presence in the Carlisle community.

This has been an exceptional year for the Friends. It has been one of record revenue consisting of Bookery sales, membership income, and funds derived from the Quilt raffle and Harvest of the Arts gourd sales. It has also been a year where the Friends have been able to provide additional funding to the Library operating fund as well as make a substantial contribution to the exciting new Children's Learning Garden project. We have also continued to provide a college scholarship for a local student, in addition to supporting our community with participation in the annual Downtown Carlisle Ice Fest.

Whether it is through your Bookery donations or purchases, your annual membership participation, or volunteer help at the Bookery, the Friends could not function without ALL of you!

Thanks again for your continued support as we look forward to an even bigger and better 2023 for Bosler Library and its Friends!

Sincerely,

Kevin Lyttle

Friends Break Records in 2022!

In 2022, the Friends of Bosler raised a record $133,016.75. This is the most the Friends have ever raised in a single year! Through your generous donations, the Bookery brought in $99,910 of these funds. In addition to generating more revenue than in any previous year, the Friends also set a new record for the amount of funds they provided to the Library in a single year. The Friends provided $79,500 in operational support and an additional $50,000 in support of the Children's Learning Garden project. Originally, the $50,000 was pledged at $10,000 per year for 5 years, but with this year’s incredibly successful fundraising, the Friends were able to make the entire donation this year. The Friends are proud to continue to provide critical support for the Library as they have for nearly 65 years.

2022 Annual Report

“Visits to Bosler Memorial Library have always been a part of the SPY program, but it is only in recent years that we began bringing the SPY campers to Bosler to sign up for summer reading and attend special library programs as well. Since reading is a central focus of SPY, the access to Bosler’s vast collections, engaging learning opportunities, and the donated books for kids to keep have been invaluable in helping build their reading skills and confidence.” – Jeanna Som, Executive Director, Summer Program for Youth
