Welcome to the Library's 2020 SummerQuest

Welcome to the 2020 SummerQuest!

Our summer program is going to look much different this year than in previous years. With the guidance from the Office of Commonwealth Libraries and the PA Department of Health, we have made the determination that our learning club and programs will be virtual this year.

Paper log forms and applications will still be available for those who need them. They will be available at the Youth Services and Public Services desks. You can also request them through curbside pickup.

If you would like to participate in our SummerQuest virtually but do not have easy access to internet, please call the Youth Services Department at (717) 243-4642 ext. 2231.

Library programs will also be virtual this summer. Many of our programs will be recorded and available as DVDs that can be checked out at the Public Services Desk (much like other library materials). These will be available 72 hours after the program aired.

We encourage all of you to participate in our 2020 SummerQuest. During the summer months children risk losing up to two months of learning from the previous school year. Continued reading and learning experiences during the summer months is the most effective way for children to avoid suffering from what researchers call the "summer slide." Library summer learning clubs are a FREE and fun way to ensure that children experience quality reading and programming opportunities.

We want to thank all of the children who are going to be joining our program and committing to reading and learning throughout the summer. You are an inspiration to us all.

Parents, thank you for taking the time out of your busy schedules to make continued reading and learning during the summer months a priority in your home. The educational benefits are crucial to lifelong learning and school success.

Teens and adults, you are models for our children by showing them that reading is an enjoyable and important experience. Thank you for sharing your love of reading and lifelong learning.

Please take a moment to look at the list of our SummerQuest sponsors below. Without them this program would not be possible. If you have the chance, please thank them.

Have a great summer, participate in the SummerQuest, and visit us often!

How it Works!

Join the SummerQuest and be a part of a community of learners, because at any age, and at any stage, reading and lifelong learning are a part of a healthy, happy, and vibrant life!

Who can Join

Bosler's SummerQuest is open to all ages! We have special prizes for kids, teens and adults!

How to Join

Register online at <https://boslerlibrary.beanstack.org>. You can also register by stopping at any of the library's service desks and filling out a paper registration form.*

What to Do

READ! Read books, picture books, graphic novels, magazines, you can even listen to audiobooks! Each time you read, log the number of minutes you read (or the special Beanstack Tracker App which logs it for you). As your minutes of reading accumulate you will earn badges which come with special prizes.

Parents: Don't forget that reading to your child (or with your child) can also be counted (for you and your child), no matter how young they are. After all, time shared reading together and to one another is as valuable as reading alone.

What's the Outcome

The more reading and activities you complete, the more badges you will earn, which means more prizes!

For Kids (ages birth through 12) each badge you earn comes with a prize, which can be collected by making arrangements with the Youth Services Department.

For Teens (13 through 17) and Adults (18+) each badge will reward tickets that can be used to enter the drawings of your choice!

Note: Adults and Teens may win in more than one of the drawings. Being a winner in one of the drawings does not disqualify adults from winning in another drawing or grand prize, as long as they have used tickets to enter the drawing.

***To get the most enjoyment out of our SummerQuest we recommend using the online platform as opposed to paper forms.**

Support for the SummerQuest was also provided by Riverview Bank, Weis Markets, Inc., UGI Utilities, Inc., Pennian Bank, Orrstown Bank, and Capital Advantage through the Cumberland County Library System Foundation.

Virtual Book Discussion with author Maureen Bonatch

Thursday, August 13 at 1pm (via GoToMeeting)

Registration Required: [Register Here](#)

Which of the following would you choose: loving someone who may be evil or defeating a powerful group of enemies to save your family? *Destiny Calling* (Book 1 of The Enchantlings Series) by Maureen Bonatch enchants you as it takes you on a journey through Good and Evil. Hope is a young Enchantling who has the ability to touch and instill hope onto others. She goes on a journey to destroy the Oppressors, (group of evil forces that can travel between Earth and the Underworld), of whom killed her caretaker. Along the way, she meets a captivating man, named Griffith, who is the opposite spectrum of Good. She has to make a decision between trusting Griffith or saving her family's life (and everyone's lives) before time runs out. What do you think Hope will choose and how will that affect her fate?

Maureen Bonatch is the renowned author of four novels (*Destiny Calling*, *Not a Chance*, *Grandma Must Die*, *Evil Speaks Softly*), an additional novel (*Forget Me Not*), and a short story (*Detective Paws & Lip Gloss*). She dreamt of becoming a Solid Gold Dancer. When the show ended, she followed other paths to enjoy a career as a nurse and a healthcare content writer. Surviving motherhood to twins (so far) gave her the confidence to learn belly dancing, declare herself a tequila connoisseur, and act as biker babe with her alpha hubby. These experiences provided fodder for stories that explore the extraordinary in the ordinary world in small town Pennsylvania, which enhances the setting of most of her novels.

While immersed in writing or reading paranormal romance and fantasy, Maureen survives on caffeine, wine, music and laughter. A feisty Shih Tzu keeps her in line. Find Maureen on her website, Facebook, Twitter, and Instagram.
