

Turning the Page

“The library’s e-books helped me read my way through the pandemic – a real lifeline. The Libby app kept the library doors open, even as the world was shutting down. With access to thousands of books any time, in any place and completely free, Libby is an amazing resource. I will continue to use Libby, and am so thankful to be able to keep reading and learning, without leaving my home!” – *Annmarie Whalen*
