Annual
2023 Report
Dear Library Supporters,

You really came through in 2023! We could not have had the successful year we had without your support. Thank you! You and hundreds of other generous library donors contributed more than $84,000 to our annual campaign. Add to that another $341,000 in unsolicited general and tribute donations, as well as several restricted gifts, grants, sponsorships, and in-kind donations, this all helped Bosler excel in providing quality library services, materials, and programs for the public to access and enjoy.

This report celebrates all of you who contributed to Bosler Memorial Library in 2023 and the impact of your great generosity. We encourage you to take a look through this report to read about some of the many ways your contributions helped to further Bosler’s mission of empowering lifelong learning in 2023. For one thing, library program attendance was up by 98% over 2022 and up 451% over 2021! A big reason for the significant increase in program attendance included the expansion of outreach programs held in various locations throughout the Bosler service area.

We were also excited to see the completion of the construction on the new Marjie and Don Mowery Children’s Learning Garden at Bosler and are looking forward to seeing many of you at the open house in April 2024.

Empowering lifelong learning together,

Hope Miller
President
Library Board of Directors

Jeffrey Swope
Executive Director
Bosler Memorial Library

2023 Library Board of Directors

G.B. Stuart Restricted Fund: $117,680
Rovegno Endowment Fund: $56,907
Hertzler Beneficial Trust: $202,742
Board Designated Reserve Funds: $154,464
Children’s Learning Garden Funds: $(88,881)*

*The negative balance is due to pledges that will be received over time.

Volunteers
In 2023, 103 individuals volunteered their time at the Library! Together they accumulated 1,269.75 hours, the equivalent of .65 full-time staff members. Volunteers perform a variety of tasks at the Library, including preparing new books for circulation, mending damaged books, delivering books to homebound individuals through the STAR program, facilitating adult programs, and much more! Bosler also saw a large number of students from the Carlisle High School who volunteered in our Information Services Department gathering historical information from our reference collection.
They Meet Again... The 1913 Gettysburg Reunion
We welcomed historian and Civil War reenactor Michael Jesberger in August to give a talk about the 1913 Gettysburg Reunion. Union and Confederate troops traveled from far and wide to attend this event which was, at the time, the largest veterans reunion event ever held. Attendees learned of the local impact such an event had on central Pennsylvania.

Native American Film Series
Our Native American Film Series gave participants the chance to view two movies provided to Bosler from the Chickasaw Nation in Oklahoma. The first, titled “Pearl” was a biographical film about the first Native American woman to earn a pilot’s license. The second, titled “Bearer of the Morning” focused on the life of Te’Ata Johnson, a prominent Native American actress.

Just Brew It!
Through a partnership with Molly Pitcher Brewing Co. we hosted an educational course where participants learned the basics of home brewing their own beer. Presenter Tim Fourlas gave an overview of home brewing at Bosler and two additional sessions were held at Molly Pitcher’s taproom and brewing facility.

Music at Bosler
Music at Bosler had a record year in 2023, with 857 attendees throughout the year, which averages to 71 people per concert. This included three concerts with over 100 attendees. The most popular concert took place in April with the Dickinson College Jazz Ensemble which drew 154 attendees. Another popular concert featured the Ruta Beggars in June. The Ruta Beggars previously performed virtually for Music at Bosler and patrons were greatly excited to see them in-person during 2023. Music at Bosler also welcomed five new artists to our concert series in 2023.

Carlisle Institute for Lifelong Learning Exhibits
The Carlisle Institute for Lifelong Learning continued to bring in exciting new exhibits for patrons to enjoy. The year started out with an exhibit provided to Bosler by the Japan-America Society of Pennsylvania “Oshogatsu: The Japanese New Year.” This exhibit featured various posters about the Japanese New Year describing how it is celebrated and its meaning for Japanese culture. Another popular exhibit was “Life and Limb: The Toll of the American Civil War.” This traveling exhibit was produced by the The National Library of Medicine and details the perspectives of surgeons, physicians, and nurses during the Civil War.

Adult Programming Highlights
Youth Services Programming Highlights

Ranger Storytime
Bosler Library partnered with Kings Gap Environmental Center to provide special storytimes to families. Twice a month from October to May, park rangers visited the library to provide nature themed read-alouds and hands-on activities.

Meet the Artist
This year featured a special edition of our Meet the Artist program where the kids helped create a mural for our new Children’s Learning Garden. The kids first “met” famous muralists and used that information, as well as nature-themed books, to help brainstorm ideas for their mural. An art student from Dickinson College took those ideas and put it all together in one mural design which they helped sketch out. From there the kids picked out colors and got to work painting the mural for the remaining weeks. This is one of three murals to be displayed in the Children’s Learning Garden.

Teen Gaming Center
Teens can now sign up to play Bosler’s Nintendo Switch in our new gaming center! Teens who attend our weekly Teen Café program have enjoyed challenging each other in Mario Kart races.

Sensory Exploration Programs
First introduced in 2022, this newer preschool program features stories, songs, and hands-on sensory stations for toddlers and preschoolers. Our programs in 2023 focused on the seasons of winter and fall for toddlers, and preschoolers were able to explore winter, spring, and summer. In total 92 children and 177 caregivers experienced this new, engaging program.

Tween Quest
In 2023 our monthly Monday tween program featured slime parties, fall crafts, DIY snow globes, tie-dye, terrariums, paint nights and more!
Bosler in the Community

Pop-Up Library Outreach
In 2023, Bosler continued our Pop-up Library initiative to take Bosler’s mission of Empowering Lifelong Learning to all residents of our service area by attending 52 community events, creating new organizational relationships, and advancing our Bosler Free Libraries. In fact, Bosler’s Pop-up Libraries served 6,483 individuals in 2023, far exceeding the original estimate of 1,500. At these Pop-up Libraries, individuals signed up for library cards, participated in a variety of activities, and interacted with Bosler staff to learn about the various services available to them through the Library.

“We were so excited to have the Bosler Library join us at the Community and Campus Resource Fair during Orientation at Dickinson College. The incoming students were eager to connect with community partners and learn about their new home.” – Britni Greenleaf, Associate Director for First Year Experience, Dickinson College

The expansion of Pop-up Libraries in 2023 was made possible in part with grant support from the Greater Harrisburg Community Foundation, a regional foundation of The Foundation for Enhancing Communities.

Project Share and Bosler Memorial Library Empowering Learning and Awakening Hope
Bosler staff participated in Project SHARE distribution days in 2023. Beginning in June, and running through December, Bosler was able to distribute information about its collections, programs, and services to the folks coming to both drive-through and Your Choice distributions several days each month. Through this partnership opportunity, the Library had nearly 3,300 contacts with adults and children from our community. We are grateful for Project Share’s hospitality and for the vital work that it does to serve the community.

“Bosler’s Executive Director Jeff Swope joined Project SHARE’s Summer Feeding 4 Kids program by sharing information with kids and parents about Bosler’s SummerQuest as well as the summer programs through Amelia Givin and John Graham Libraries. The libraries have collaborated with SHARE for many years in feeding the minds of SHARE clients with opportunities for learning and the enjoyment that comes from reading.” – Joe Kloza, Education and Communications, Project SHARE

Donor Event Highlights Outreach Programming
Bosler held its donor appreciation reception for members of the Bosler Society and Lila’s Legacy Society at the home of Adam Messer and Diana Putman in May. Attendees enjoyed learning about Bosler’s extensive outreach programs and services while sampling hors d’oeuvres by Layla’s Catering and Event Planning and listening to live music by guitarist Paul Wegmann. A highlight of the evening was a dramatic reading by Executive Director Jeff Swope, of the children’s book “Owl Babies.”
It was Camp Kindness at Bosler’s 2023 SummerQuest. This year featured a biodiversity program from the West Shore Wildlife Center for our kickoff event. Additional performers for the summer included Talewise Science Heroes and their interactive show “Saving Earth Together,” which included amazing science experiments the participants could participate in. We also hosted Music Play Patrol who brought boomwhackers for kids and parents to make their own music.

Bosler’s SummerQuest gave readers an opportunity to earn prizes for logging their minutes read. Kids ages birth through 12 earned coins for reading to redeem prizes. Teens and Adults earned raffle tickets to enter drawings for gift cards and other special prizes. Bosler had 1,042 individuals registered for the 2023 SummerQuest, with 798 of them logging reading! SummerQuest was sponsored by the Jerry and Ellen Hair Foundation with additional support from F&M Trust and The Donald B. and Dorothy L. Stabler Foundation.

In 2023, GO Cumberland saw even more participation than 2022. This partnership between the Cumberland County Library System and WellSpan Health gave individuals and families opportunities to explore new parks and trails throughout Cumberland County.

**CALC gift to Bosler Staff**
Students from the Carlisle Arts Learning Center presented this bookcase full of books and bookworm to Bosler’s Executive Director, Jeff Swope, as a gift for National Library Workers Day, a part of National Library Week in April. We are very grateful and honored!

**Orrstown – EITC**
Children participating in a number of Bosler’s programs for kids in grades K-6 benefited from a donation from Orrstown Bank in 2023. Meet the Artists, Meet the Composer, American Girls Club, and Techno Tweens programs at Bosler were made possible with support from donations from Orrstown Bank and Weis Markets through Pennsylvania’s Educational Improvement Tax Credit (EITC) program.

**Comic Con**
2023 was the biggest year yet for our Comic Con in October, with over 1,400 people coming through the doors! Kids, teens, and adults arrived in cosplay to compete, visit with vendors, and participate in a myriad of programs and activities.
**THANK YOU!**

The following individuals, small businesses, corporations and foundations contributed financial support in 2023 directly to Bosler Memorial Library for the purchase of books and other materials, sponsorship of programs, and keeping the Library open and operating for the benefit of our patrons and the public throughout the year. Your generosity is greatly appreciated!

**Please note:** This list does NOT include gifts under $35.00, used book donations, Children’s Learning Garden donations, or contributions to the Friends of Bosler Memorial Library, which is a separate 501(c)(3) organization. (See pages 17 – 19 for Friends member listing.)

I have been suffering from Lyme Disease but could not find organizations, support, and doctors who were willing to accept my diagnosis. And needed help finding a doctor who could treat me. Bosler’s reference librarian tracked down multiple contacts for me, including the regional leader of Harrisburg Lyme Support Group, who were able to put me in touch with local physicians. You have literally saved my life!

– Dave Hutchinson

Bosler Memorial Library is grateful to all our donors. We have made every attempt to ensure accuracy in recognizing your support.

If, however, you note an error or omission, please contact Molly Shane, Development Officer, at mshane@cumberlandcountylibraries.org or (717) 243-4642 x3222.

“I visited Bosler and learned about its considerable value through a summer program at Dickinson, and I wish more students knew about it! From tutoring connections to exhibits to board games and an awesome used bookstore, the Bosler Library offers a wealth of resources for students and beyond. Come by anytime for a welcoming, program-rich local gem!” – Sam Schmidt, Dickinson College student

Children’s Learning Garden Construction Completed in 2023

Although the hope was to be able to open the new Marjie and Don Mowery Children’s Learning Garden at Bosler in 2023, a number of construction, weather, and supply chain issues delayed completion of the project. Thankfully, all major construction elements were finished by the end of 2023, and all other features were expected to be installed in time for a spring 2024 grand opening. None of this would have been possible without your support and that of many others in the Carlisle community. By the end of 2023, the Children’s Learning Garden campaign had raised over $732,000 in pledges and outright gifts and grants and received over $639,000.

The project has transformed an under-utilized and unattractive space into a safe, welcoming, and engaging outdoor area for children to learn and make connections with the natural world. It will also provide opportunities for programs and events for teens and adults when not being used for youth programming. With a goal of 40 program sessions per year, an estimated 800-1,000 children and families could benefit from programs in the Children’s Learning Garden annually.

The following donors made contributions in 2023 in support of the Children’s Learning Garden.

The Friends of Bosler are grateful for all of our Friends members. We have made every attempt to ensure accuracy in recognizing your support. If, however, you note an error or omission, please contact the Bosler Friends at boslerfriends@boslerfriends.org.
“Having the Bosler Library attend Middlesex Township events is a big bonus for us and the local community. With Bosler Library providing families with exciting, hands-on literature-based activities, the library has inspired curiosity and encouraged a thirst for knowledge. With the recent dinosaur egg activity at our Fall Festival, we can see future paleontologists in the making! Thank you, Bosler Library!” – Denise Jumper, Recreation Director, Middlesex Township
