Library Volunteers

Purpose

Library volunteers support and enhance the work of Cumberland County Library System staff and its member library system staff, enriching the Library System’s programs and services. Volunteers also aid the Library System and its member libraries in making the best use of its fiscal resources and in contributing to sound working relationships with other community groups and organizations.

The purpose of the Cumberland County Library System’s Library Volunteer Policy is to protect the rights and safety of library customers, staff and volunteers as well as to preserve and protect the materials, facilities and property of the library system and its member libraries.

Definition

For the purpose of this policy, a library volunteer is defined as an individual who assists with work done at the Cumberland County Library System or its member libraries, without promise, expectation or receipt of compensation for services rendered, except for reimbursement of expenses, reasonable benefits, and nominal fees, or a combination thereof and is supervised by library staff.

Adult shall mean an individual 18 years of age and older (23 Pa. C.S.§6303 (a)).

Direct contact by volunteers with children shall mean the care, supervision, guidance or control of children, and routine interaction with children (23 Pa. C.S.§6303 (a)).

Volunteer Screening and Placement

1. The Library System and its member libraries welcome volunteer applicants.

2. Volunteers are placed in positions best suited to their skills, interests and availability. The Library System and its member libraries are not able to guarantee a position for each prospective volunteer and have the right to reject any application without cause. Volunteer placement is based on the:
   a. Qualifications of volunteer applicants;
   b. Needs of the Library System at any given time;
   c. Volunteer’s ability to commit to a consistent schedule of hours; and
   d. Availability of staff time to supervise volunteers.
Screening of Employees as Volunteers

1. In order to comply with the Department of Labor’s Fair Labor Standards Act and regulations (specifically sections 29 CFR 553.101 through 553.106), the Cumberland County Library System and its member libraries use the following criteria to determine if an employee may volunteer. An employee may be considered for a volunteer position if:

   a. The services are entirely voluntary, with no coercion by the employer, no promise of advancement, and no penalty for not volunteering.

   b. The activities are predominately for the employee's own benefit.

   c. The employee does not replace another employee or impair the employment opportunities of others by performing work that would otherwise be performed by regular employees.

   d. The employee serves without promise, expectation or receipt of compensation for services rendered, except for reimbursement of expenses, reasonable benefits or a nominal fee to perform such services.

   e. The activity does not take place during the employee's regular working hours or scheduled overtime hours.

   f. The volunteer time is insubstantial in relation to the employee's regular hours.

   g. The employee is not otherwise employed by the same public agency to perform the same services as those for which they propose to volunteer. In other words, individuals may qualify as volunteers if they either volunteer for different agencies or perform distinctly different services than they are otherwise employed to perform. For purposes of this paragraph, a different member library shall be considered a different public agency, such that an employee of one member library may volunteer at another member library and perform the same services for which they are employed.

Volunteer Application & Interview Required

1. All Library Volunteer applicants must complete a volunteer application form at the library location where they wish to volunteer and provide references from two adults who are not related to the applicant.

2. Applicants are interviewed for possible placement by the system headquarters or member library staff. If there are no suitable volunteer opportunities available immediately, application forms will be kept on file for a period of six months. Applicants are called if a project is identified which matches their interests and qualifications.

3. Volunteers age 17 and under must have written permission from a parent or guardian.
