## Why do we need Leap the Line?

State funding has been drastically reduced. Fredricksen Library & East Pennsboro Branch lost a full third of their state support. We had to cut back on purchasing multiple copies of high demand items.

We have large popular collections of bestsellers and DVDs...AND long wait lines. Sometimes the wait for a good movie or book can be almost 52 weeks!

Finally, Leap the Line is a great way for patrons to get the materials they want AND contribute to the library. Your selection becomes part of our collection...to benefit borrowers for years to come!

Cleve J. Fredricksen Library & East Pennsboro Branch 100 N. 19th St., Camp Hill, PA 17011 717-761-3900 • fredricksenlibrary.org Here's how it works. You are tired of waiting in the holds line for a book or DVD or CD of music. You fill out the form below, either in hard-copy or electronically (www.fredricksenlibrary.org), instructing the library to Leap the Line.

As soon the form is received at our front desk or online, your name Leaps the Line to the front of the holds.

Within one week, the item is purchased, received and you are notified.

Y ou arrive at the library and pay just \$10.00 (\$20.00 Large Print). This is considered a library donation, since you have made it possible for the library to buy an item which has been added to the collection.

The library pays the balance.

The item is checked out to you for twice the normal borrowing time. If it's a book, you get it for four weeks. If it's a DVD, you get it for two weeks.

At the end of that time, or before that if you're finished, you return the item to the library. It goes into our regular collection and the long holds line resumes where it left off.

By Leaping the Line, you enable the library to add high-demand titles while making a donation. You receive the item first, for a longer borrowing period. You have the satisfaction of knowing that you have helped the library. Thank you and enjoy your Leap!
