Oceans of Possibilities!

East Pennsboro Branch 2022 Summer Reading

For All Ages!

June 6 to August 6

eastpennsboro.beanstack.org

Earn badges, prizes, and tickets for the grand prize drawings by reading and logging and doing activities!

Register at eastpennsboro.beanstack.org and then stop by the library for your summer reading grab and go bag (while supplies last).

GO Cumberland Challenge! 2022 Get Outdoors Challenge for All Ages

June 1 to August 15

eastpennsboro.beanstack.org

Beginning June 1, register at eastpennsboro.beanstack.org, and then pick up a GO Cumberland booklet (one per family) at the library. Throughout the summer, families will explore and hike the parks and trails in Cumberland County. Enter the secret codes you discover and be entered to win prizes. See booklet for more details.

Sponsored by Wellspan.

Oceans of Possibilities

**All-Ages Summer Reading Program
Monday, June 6 through Saturday,
August 6**

Finish reading for a chance to win great grand prizes!

Hunting for Oceans of Possibilities Wednesday, June 23 to Saturday, June 25

Ocean-related things are all around us. Participate in this ocean-themed scavenger hunt. Come to the library for the list, go out and take a picture of something for each category, and bring your completed list and photos to the staff to have your name entered into a drawing for a gift card. One entry per household. No registration necessary.

Sea What It Will Be:

A Food Guessing Game

Wednesday, June 29 to Saturday, July 2

There are oceans of possibilities when it comes to making cookies. Join in our food guessing game on Facebook. On Wednesday, June 29, we will post a photo of baking ingredients. Come to the library between Wednesday, June 29 and Saturday, July 2 to enter your guess about what ocean-related thing our cookies will be. We will post a photo of the cookies after the contest is closed and draw a name for a prize. One entry per participant. No registration necessary.

Children's

Oceans of Possibilities

**All-Ages Summer Reading Program
Monday, June 6 through Saturday,
August 6**

Finish reading for a chance to win great grand prizes!

Grab & Go Craft: Button Sea Turtle Bags available Monday, June 6

Kick off our Summer Reading Program, "Oceans of Possibilities," with this first Grab and Go craft. This bag will contain the materials and directions to make a Sea Turtle using colorful buttons. This Sea Turtle will be a great way to start a collection of ocean life. By the end of summer reading, you will have created your own Ocean of Sea Life! No registration necessary. First-come, first-served only. While supplies last!

Andrew's Big Show

Tuesday, June 14 at 1:30 pm

Note: Location may change depending on local COVID conditions

With physical comedy, juggling, circus tricks, yo-yos, audience participation and more, Andrew's high energy show will put you in a festive mood! This program will be held indoors, and seating is limited; first come, first served.

Grab & Go Craft: Colorful Seahorse Bags available Thursday, June 16

Seahorses are quite common in the ocean, even if we don't see them at the beach. Continue the fun of our Summer Reading Program, "Oceans of

Possibilities," with this second Grab and Go craft. This bag will contain the materials and directions to make a magnificent colorful Seahorse using cupcake liners. This Seahorse will be a great addition to your collection of ocean life. By the end of summer reading, you will have created your own Ocean of Sea Life! No registration necessary. First-come, first-served only. While supplies last!

Forgotten Friend Reptile Sanctuary Tuesday, June 21 at 1:30 pm

Note: Location may change depending on local COVID conditions

This interactive show is crawling with fun and laughter! Presented by Forgotten Friend's herpetologist, author, photographer, and certified class clown, Jesse Rothacker. Jesse the Reptile Guy brings learning to life with fifteen live snakes, lizards, turtles, and crocs. You'll meet reptiles from around the world, and a few from your own backyard! This program will be held indoors, and seating is limited; first come, first served.

Grab & Go Craft: Hanging Jellyfish Bags available Thursday, June 23

Jellyfish are beautiful but sometimes scary creatures of the ocean. Continue the fun of our Summer Reading Program, "Oceans of Possibilities," with this third Grab and Go craft. This bag will contain the materials and directions to make a paper bowl/ribbon hanging Jellyfish. You can add this to your collection of ocean life. By the end of summer reading, you will have created your own Ocean of Sea Life! No registration necessary. First-come, first-served only. While supplies last!

Hunting for Oceans of Possibilities Wednesday, June 23 to Saturday, June 25

Ocean-related things are all around us. Participate in this ocean-themed scavenger hunt. Come to the library for the list, go out and take a picture of something for each category, and bring your completed list and photos to the staff to have your name entered into a drawing for a gift card. One entry per household. No registration necessary.

Music, Play, Patrol

Tuesday, June 28 at 1:30 pm

Note: Location may change depending on local COVID conditions

Join Music, Play, Patrol for a unique experience to add to our summer of fun! This program gets both adults and kids up moving and dancing to the beat! Children get to learn about and play an authentic African djembe and play other West African instruments like the Talking Drum, Shekere, and Gourd Drum. The session ends with a dance and drum circle. This program will be held indoors, and seating is limited; first come, first served.

Sea What It Will Be:

A Food Guessing Game

Wednesday, June 29 to Saturday, July 2

There are oceans of possibilities when it comes to making cookies. Join in our food guessing game on Facebook. On Wednesday, June 29, we will post a photo of baking ingredients. Come to the library between Wednesday, June 29 and Saturday, July 2 to enter your guess about what ocean-related thing our cookies will be. We will post a photo of the cookies after the contest is closed and draw a name for a prize. One entry per participant. No registration necessary.

Grab & Go Craft: Puffer Fish

Bags available Thursday, June 30

Puffer fish are found in the ocean and can look very scary. They have spikes all over them. Continue the fun of our Summer Reading Program, "Oceans of Possibilities," with this fourth Grab and Go craft. This bag will contain the materials and directions to make a 3D Puffer Fish with spikes. You can add this to your collection of ocean life. By the end of summer reading, you will have created your own Ocean of Sea Life! No registration necessary. First-come, first-served only. While supplies last!

Scavenging for Food:

A Fun Food Scavenger Hunt

Monday, July 11 to Saturday, July 16

Fun things related to food are all around us. Participate in this food-themed scavenger hunt. Come to the library for the list, go out and take a picture of something for each category, and bring your completed list and photos to the staff to have your name entered into a drawing for a gift card. Plus, there's a bonus category for an additional prize drawing! One entry per household. No registration necessary.

Beach Party!

Tuesday, July 12 from 1:30 to 2:30 pm

At the Township Building Pavilion (inside if the weather is bad)

Join us for a Beach Party to celebrate the half-way point in our Summer Reading Program! We will be having beach games with some fun summer music piped in. There will be craft stations where you will be able to make your own beach party Lei, paint rocks and seashells, and make some sea glass decorations! The big surprise will be the Beach Bag prize! All ages welcome!

Dive into Food Fun: Making Your Food Look Like Sea Animals

Monday, July 18 to Saturday, July 23

Food can be more fun when it looks like something from the ocean! Make an oyster cookie, a crab apple or a kiwi-grape turtle. Take

a picture and show a library staff member to have your name entered in a drawing for a gift card. A video will be posted for those who would like some guidance, or get creative and make a different sea creature from food. Come to the library with your photo July 18-23 to have your name entered in the drawing. One entry per household. No registration necessary.

STEM Program:

Earth's Rising Topography

Tuesday, July 26 from 6:30 to 7:30 pm

Guest presenter Olivia Otstot is a GeoEnvironmental Analysis Technician in the Geospatial Dept. at Harrisburg University. With Ms. Otstot, we will be exploring geospatial development and applying it to better understand how our oceans are changing as the topography of our planet changes. We will also explore some hands-on mapping techniques and ways to track the changing levels in the ocean. All ages welcome. No registration necessary.

Grab & Go Craft: Floating Sailboat

Bags available Thursday, July 14

Imagine floating around the ocean in a sailboat. So many ocean creatures all around! Continue the fun of our Summer Reading Program, "Oceans of Possibilities," with this fifth Grab and Go craft. This bag will contain the materials and directions to make a Cork Sail Boat that really floats in water. You can add this to your collection of ocean life, as a fun float! By the end of Summer Reading, you will have created your own Ocean of Sea Life, with some extras! No registration necessary. First-come, first-served only. While supplies last!

Grab & Go Craft: Beach Umbrella/People

Bags available Thursday, July 21

Beaches are a big part of ocean life. Beautiful shells and crabs can always be found. Continue the fun of our Summer Reading Program, "Oceans of Possibilities," with this sixth Grab and Go craft. This bag will contain the materials and directions to make a tissue paper Beach Umbrella and People to sit under the umbrella. You can make your own beach scene and add it to your ocean collection! By the end of Summer Reading, you will have created your own Ocean of Sea Life, with some extras! No registration necessary. First-come, first-served only. While supplies last!

College Time Management, Note Taking and Reading (On Zoom)

Monday, August 1 from 6:30 to 7:55 pm

Whether you're starting college this fall or returning to classes after a break, now is a good time to think about your strategies for time management, note taking and reading. The library will offer a Zoom workshop with three 25-minute sessions on each topic: time management (6:30-6:55), note taking (7:00-7:25), reading (7:30-7:55). Registrants will receive a follow-up email soon after registering and an email with the Zoom link the day before the sessions. Ages 16 and up.

Children's

Grab & Go Craft:

Ocean Mermaid and Clams

Bags available Thursday, August 4

There is a legend that says the pearls inside clams are mermaid tears! Finish your Summer Reading Ocean with this final Grab and Go craft. This bag will contain the directions and materials to make a few clams with pearls inside. It will also have the directions and materials for mermaids to add to your ocean. You have created your own Ocean of Sea Life, with some extras! No registration necessary. First-come, first-served only. While supplies last!
