What's New at East Pennsboro Branch Library?

Jackie Barton – East Pennsboro Branch Director

Summer is here, and so is summer reading, only now we're calling it "Summer Learning." This year's Summer Learning theme, "Build a Better World," centers on the universal appeal of creating, repurposing, and building, and is for children, teens, and adults. Throughout the summer, participants will challenge themselves, try new things, and discover new ways of looking at the world and ways to make positive change. All ages can register starting on June 5, and the program runs through August 5. Our big Children's programs will still be on Tuesdays at 1:30, but this year they will be held right next door to the library in the new Community Room. We'll also have weekly drop-in story times, Bingo for Books, crafts, STEM activities, a Space Camp, and of course Friday Fun!

This summer, adults can participate in two reading groups: Life Lessons and Library Reads. In June, join us for a timely discussion with former WGAL news man Nelson Sears on how television news has changed over the years. Mr. Sears will also lead our new "Chess for Adults" group. And if you'd like to try your hand at writing, join us for our "Travel Journal" series in July and August. Teens can join us for a fun selfie scavenger hunt, a craft program, and the ever-popular "Build 'Em and Smash 'Em!"

Like us on Facebook and visit our website at eastpennsborobranch.org for the latest activities.
