The Great American Novel Thursday, September 21 at 6:30 pm

In our quest to find The Great American Novel, join us for a discussion of Purity by Jonathan Franzen. From the publisher: "Purity is a dark-

hued comedy of youthful idealism, extreme fidelity, and murder. The author of The Corrections and Freedom has created yet another cast of vividly original characters, Californians and East Germans, good parents and bad parents, journalists and leakers, and he follows their intertwining paths through landscapes as contem-

porary as the omnipresent Internet and as ancient as the war between the sexes. Jonathan Franzen is a major author of our time, and Purity is his edgiest and most searching book yet." Over the course of the next sixteen years, life and love will offer them very different challenges. Separated by distance and fate, there's no way the two of them are ever going to meet each other properly . . . or is there?"
