

AUGUST 2020

FULL STEAM AHEAD!

What's going on in the Kunkel Creation Station?

The Grandon StoryWalk!

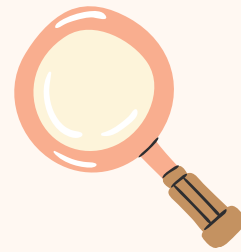

Looking for something new to do with your family? Check out our brand new Grandon StoryWalk! Located at the Creekview Park, the StoryWalk is a unique way to enjoy a picture book as a family. Our current title is *The Lonely Firefly* by Eric Carle. Once you've read the book, return to the library to read some of our recommended resources about fireflies!

**VIRTUAL
MAKERSPACE**

UPCOMING EVENTS

Virtual Makerspace

The Virtual Makerspace on YouTube is ALWAYS open! Since March, we've been regularly adding STEM videos to our channel. Some highlights include Tinkercad tutorial, Star Wars STEM, Craft Stick Catapults, and Skittles Science. Subscribe to Fredricksen Library Children's Programs on YouTube to see them all!

Looking Forward

In Fall 2020, we'll be continuing our popular Grab and Go Bag programs. Sign up online to reserve your spot!

Week of September 14: Weather

Week of September 28: Paper Fliers.

Week of October 12: Pendulum Painting.

Week of October 26: Paper Circuits.

Week of November 9: Apple Science

Week of November 23: Paper Speakers.

STEM Storytime: September 25, October 23, November 20 at 10am

Join us for a special monthly STEM Storytime! We will read books, sing songs, and talk about science! Best for children 3 to 5 years old, but all are welcome! Register online to receive the Zoom link for this event.
