

OCTOBER 2020

FREDRICKSEN TEENS LIBRARY NEWSLETTER

A monthly newsletter about what's happening at your library!

Teen Book Club

As the days get shorter we're leaning into the coziness of the season with our Teen Book Club! You can join us every other week for a relaxed hour of hanging out with other teens who read. We chat about books we've been reading, listen to audiobooks together, and occasionally have a guest speaker to do a deep dive into a topic everyone is interested in learning more about!

This club comes with NO extra reading, no "homework" or time commitment. Email emcquiggan@ccpa.net to join!

Also in the October Issue:

Digital Skills Club
Volunteering
Upcoming events

Digital Skills Club

Do you miss our Coding Club, 3D printing club, and other Kunkel Creation Station activities? Join us virtually to brush up on our digital skills! We'll learn how to make digital comics, memes, and more!

[Sign up online or email emcquiggan@cccpa.net for the link.](#)

Volunteer Opportunities

Despite COVID restrictions, we still have volunteer opportunities for teens. Teens meet monthly on Zoom for our Teen Advisory Group where we plan programs and events for teens. We also have regular Saturday Morning Teen Volunteer time where teens are able to come physically into the closed library for volunteer hours.

Join us on the first Sunday of the month at 3pm to learn more!

Upcoming Programs

Thursdays: Digital Skills Club
Thursdays: Alternating Plot Twisters and Teen Book Club
Week of 11/2: K-Pop Crafts
11/11: Jackbox Games
Week of 11/16 Pet Portraits
