**June 1
thru
Aug. 15**

Starting this year, Cumberland County will be participating in *Get Outdoors (GO) Cumberland!* program. This program encourages Cumberland County children and families to read and be physically active during the summer months. This summer, WellSpan Health and Cumberland County Libraries are excited to partner in encouraging you to GO and Dive Deep! As you venture out this summer on the hikes, enjoy learning about the many wonders of the oceans.

GO Cumberland! helps you explore the Oceans of Possibilities, while you search for fifteen "anchors" - wooden marker posts with a unique etching attached - that are hidden in various local and state parks.

REWARDS & PRIZES!

In addition to *GO Cumberland!* prizes, Cumberland County Libraries are offering rewards for readers. Please check with each individual library for registration details for their Summer Reading Programs. Log your reading minutes on Beanstack for chances to win more prizes. Two ways to win - visiting local parks and reading your favorite books! There are hundreds of free library programs planned just for you... attend one or all of them!
