## We Scored a 10!

*Bonnie Goble, Library Director*

Question: Why is this the year of the "10" for Fredricksen?

Expected Answer: We just finished our 10th Annual Library Loop 5K Race.

Bonnie Goble, Director

Bonus Answer: We are Simply the Best library, for the 10th time.

Harrisburg Magazine runs an annual poll, in which voters are asked to choose "the best" from numerous categories: restaurants, grocery stores, physicians, clothing shops...and, of course, libraries. Anyone may vote in this contest, but in order to have a vote count, at least 30 choices for "best in" a given category must be selected by the voter. Completing a ballot requires time and commitment!

Fredricksen has taken the top honors among all libraries for ten years.

This year, three separate panel discussion nights, beginning in February, combined the Cumberland County Commissioners with the library and public folks, to address the importance of what we do...and how to fund it. Fredricksen was chosen as one of only two libraries to appear at the panel table at the final July 22 consensus panel night.

Cumberland County is the fastest growing County in the state. Fredricksen, and all libraries, must keep pace. To do this, we need financial support from all who enjoy us.

We are beginning our Annual Appeal in October, look for yours in the mail. Thank you in advance for your generosity. Through your efforts, we can continue to be Simply the Best...for the next 10 years!
