The neighborhood socialites have touted the Hatter's Ball as the bash of the year in the isolated town of Bloodworth Falls. Mayor Riley White has organized the event in the old Ravenwood Castle as a diversion from the scandals that have plagued the town in recent months. Of course, it's no coincidence the ball is scheduled right before the upcoming mayoral election. You will receive a character assignment and description in advance. This event includes appetizers, dinner, dessert and intrigue! For teens ages 12-18. Registration is required, with a \$3.00 ticket price to be paid at the event. Registration begins Sept. 15.

Thank you to the Kunkel Family Foundation and the Stabler Foundation for funding the Kunkel Creation Station. The Kunkel Creation Station is now open for scheduled STEM programs, led by the STEM Coordinator. Check out the new programming for the fall!

Programs offered are sponsored by generous support from individuals and businesses in our community, and from the Friends of Fredricksen Library & Friends of East Pennsboro Branch Library.
