Simply the Best

Bonnie Goble, Library Director

For a ninth year, Fredricksen Library has been chosen as "Simply the Best" in Central Pennsylvania. What exactly does this mean?

Harrisburg Magazine runs an annual poll, in which voters are asked to choose "the best" from numerous categories: restaurants, grocery stores, physicians, clothing shops...and, of course, libraries. Anyone may vote in this contest, but in order to have a vote count, at least 30 choices for "best in" a given category must be selected by the voter. Completing a ballot requires time and commitment!

Bonnie Goble, Director

Fredricksen has taken the top honors among all libraries for nine years. We are so grateful to those of you who take the time to complete a lengthy ballot. But more than this, we are grateful to all of our patrons. Daily we hear from you of appreciation for our programs and our "extreme customer service" attitude. Sometimes, we hear suggestions for how to be better ("be open Saturday morning!") We appreciate it all.

Public support, in the way of donations, has become even more important than in past years. This year, Cumberland County commissioners voted down a modest increase in the County library tax which would have meant that each citizen contributed the value of a single postage stamp (\$.43) The state just passed a budget which reflects level funding for libraries and a cut in another proposed \$500,000 appropriation. Support from our public is crucial.

On our website (fredricksenlibrary.org), you can calculate the real money value of the services we provide to you. Click on the left at: Support Fredricksen. Then Click: Library Calculator.

Please consider donating just a part of what we are worth to you. Through your efforts, we can continue to be **Simply the Best**.
