The John Graham Library's building is open to the public with limitations.

- Please maintain 6 feet of physical distancing between you and another person. Please follow all signs and floor markers.

- Persons entering the building are **required to wear a mask**, as ordered by the Secretary of Health.
  - If you do not have a mask, we will provide you with a disposable one free of charge.

- Hand sanitizer stations can be found throughout the building.

- We offer a *contact-free holds pickup service* for those who prefer it. Place holds on items by calling the library at 717-776-5900 or visiting https://catalog.cumberlandcountylibraries.org. We'll let you know when your holds are available. Contact the library to arrange a pickup time, and we'll take your items to a table on the front porch.

- All items must be returned in the Book Drop on the front porch. Returned items will be quarantined for 3 days before being checked in. This delay will not cause any fines.
