Keep your eye out for more
workshops coming up soon!

**Join the U.S. Census Bureau on
Thursday, December 19th
any time between 4:00-8:00 PM**

to learn how to join the 2020 Census Team!

Every ten years, the U.S. Census Bureau is responsible for conducting the nationwide census. While the next census itself will be taken in 2020, the Census Bureau is already recruiting to fill important positions.

Why should someone choose to work as a Census Taker?

Census positions provide the perfect opportunity to earn extra income while helping your community. The results of the 2020 Census will help determine your state's representation in Congress, as well as how certain funds are spent for schools, hospitals, roads, and more. This is your chance to play a part in history and help ensure everyone in your community is counted!
