MISSION

Joseph T. Simpson Public Library is a community center for learning and leisure.

Dear Neighbor:

2020 certainly has been a memorable year for all of us. The Coronavirus shut down the library for three months and then re-opened in mid-June with new health and safety protocols in place.

We are doing what we can to maintain and sustain daily library operations. We don't know what tomorrow will bring, but we know that our community needs their public library and Simpson Library needs your support.

During the closure in the spring, Simpson Library adapted their programming from in person to virtual. Book discussions for adults and numerous programs for children shifted to an online format. The Summer Learning Program was completed online with virtual programs, performances, and presentations. Our eBooks, eAudio, and streaming movie collections hit record highs in usage.

Since 1961, Simpson Public Library has been an impactful resource to our community and continues this tradition.

Your financial support is extremely important this year as we deal with additional expenses of the pandemic and reduced income from the cancellation or adaptation of in-person fundraising events. Please make a donation today to benefit Simpson Library.

Sincerely,

Dawna Trump, Development Coordinator
